PROJECTS

RESTful Blog API | *Java, Hibernate, MySQL, REST API, Postman*

- Developed a **RESTful API** for a blogging platform that supports CRUD operations for users, posts, and comments.
- Designed and integrated entity classes using **Hibernate** for seamless interaction with the **MySQL** database.
- Built and tested API endpoints with **Postman**, achieving optimal performance and scalability.

Govt Order's Content Detection | *Object Detection, Text Extraction, PyTesseract, LabelImg, Roboflow*

- Developed an automated system using **object detection** and **text extraction** to streamline information retrieval from government orders, enhancing decision-making and policy analysis.
- Leveraged tools like **LabelImg** for annotation, **Roboflow** for dataset preparation, and **PyTesseract** for text recognition, achieving high accuracy in detection and classification.

Real-Time Chat Application | *Python, Server-Client Architecture*

- Developed a **real-time chat application** using **Python**, implementing a **server-client architecture** for efficient communication.
- Designed the system to allow clients to send and receive messages through the server, enabling seamless interaction among multiple participants in the chat room.

EXPERIENCE

Java Development Internship

DeltaClause

- Successfully completed a 1-month internship in Java development, showcasing proficiency in Java programming.

Tutor Expert

Chegg

- Demonstrated expertise by delivering comprehensive solutions and guidance to students across a range of computer science topics.

TECHNICAL SKILLS

Programming Skills : Java, Python, C/C++, SQL (MySQL)

Front-End : HTML, CSS, JavaScript

Technologies : RESTful Web Services, Hibernate, Jersey, JDBC

Developer Tools : Git, GitHub, Visual Studio, IntelliJ, Eclipse, MySQL Workbench, Postman

Relevant Coursework : DBMS, OOPs, DSA, Operating Systems, Computer Networks

CERTIFICATIONS

Java (Basic) Skill Certification-**HackerRank** 

JavaScript Essential Training-**LinkedIn Learning** 

Python Certification-**LinkedIn Learning** 

EDUCATION

Indian Institute of Information Technology, Kota

Bachelor of Technology in Computer Science

Kota Career Point, Kuchaman City

Senior Secondary (Science-Maths)

ACHIEVEMENTS

Earned a **5-star Java Golden Badge** on **HackerRank**, showcasing proficiency in Java programming.
